| Safety certifications | CE, RoHS, G.Mark, ESMA |

Details

The Admore A-I6 6" Ceiling Mounted Exhaust Fan provides efficient and discreet ventilation for various spaces. This ceiling exhaust fan, featuring a 6-inch blade diameter (150mm), is designed for easy ceiling mount installation. Operating at 220-240V/50Hz with a low 25W power consumption, the A-I6 is an energy-efficient solution for maintaining optimal air quality.

Durable Construction: Crafted from high-quality PVC for the body, blades, and grill, ensuring longevity and resistance to moisture and corrosion.

Quiet Operation: Designed for minimal noise, providing a comfortable and peaceful environment.

Certified Safety: Complies with CE, RoHS, G.Mark, and ESMA safety certifications, guaranteeing safe and reliable operation.

The Admore A-I6 is perfect for bathrooms, kitchens, and other areas requiring effective ventilation. Its white finish seamlessly integrates into any decor. While it features zero blades, zero shutter, and zero speed settings, its simple design ensures reliable air extraction. The 6-inch duct size (150mm) allows for easy integration into existing ventilation systems. Choose the Admore A-I6 for a dependable and safe ceiling exhaust fan solution.
