Details

The R-24A Roska 24W 3-in-1 LED Panel Light provides versatile and efficient lighting for any space. This innovative fixture offers three color temperatures in one: warm white (3000K), neutral white (4000K), and daylight (6000K), allowing you to customize the ambiance to your preference. It's designed for both surface and recessed mounting, providing flexibility in installation.

3-in-1 Color Temperature: Switch between warm white, neutral white, and daylight to create the perfect lighting for any occasion.

Energy Efficient: Consuming only 24 watts, this LED panel light offers significant energy savings compared to traditional lighting solutions.

Long Lifespan: With a rated lifespan of 30,000 hours, the R-24A minimizes maintenance and replacement costs.

High Color Rendering Index (CRI): A CRI of ≥ 80 ensures accurate and vibrant color representation, enhancing the visual appeal of your space.

Certified Quality: CE and RoHS certifications guarantee safety and environmental compliance.

This Roska LED panel light operates on 110V-240V (50Hz) and comes with a 1-year warranty. It is an ideal choice for homes, offices, and commercial spaces seeking reliable and customizable lighting solutions.
