### Details

Upgrade your outdoor or utility space with the SV-03 - Eurospring 1/2" Brass Bib Cock. This durable and stylish bib cock is crafted from high-quality brass and finished with a sleek chrome polish, ensuring long-lasting performance and a modern aesthetic. The wall-mounted design saves space, while the single handle provides easy control over water flow.

**Durable Brass Construction:** Made from solid brass, this bib cock resists corrosion and ensures years of reliable use.

**Chrome Polished Finish:** The chrome finish not only enhances the bib cock's appearance but also provides added protection against scratches and tarnishing.

**Easy to Use Single Handle:** The single handle design allows for effortless water flow and temperature adjustment.

**Versatile Connection Sizes:** Compatible with 1/2", 3/8", and 9/16" connections, offering flexibility during installation.

**High Flow Rate:** Delivers a consistent 9L/min flow rate for efficient water usage.

**Wide Water Pressure Range:** Operates effectively within a 1.6 Mpa water pressure range.

**Warranty & Certifications:** Backed by a 3-year warranty and ISO9001:2008 certification, ensuring quality and peace of mind.

The SV-03 Eurospring bib cock is ideal for gardens, laundry rooms, and other utility areas. Its combination of durability, style, and ease of use makes it a valuable addition to any home or commercial setting.
