A-12VSMD-WW - Admore 5M 10W 12vDC Strip Light with Adopter 2.5Cm Cut 3000K

DATASHEET

Overview

Illuminate spaces with the A-12VSMD Admore LED strip light. This 5M, 10W, 12Vdc strip features a 2.5cm cut point and 3000K color temperature. Enjoy long-lasting, efficient lighting with Admore quality. CE & RoHS certified.

Specifications

Brand	Admore
Product Code	A-12VSMD
Voltage	110V-240V (50Hz)
Light Type	LED
Light Color	3000K Warmwhite
Lifetime Hours	30, 000Hrs
CRI (Color Rendering Index)	≥ 80
Warranty	1 Year
Certifications	CE, RoHS

Details

The A-12VSMD Admore LED Strip Light offers a versatile and energy-efficient lighting solution for various applications. This 5-meter strip operates at 12Vdc with a power consumption of 10W. Its 3000K color temperature provides a bright, white light. The strip can be cut every 2.5cm, offering flexibility in installation and customization. The included adapter simplifies setup, making it ready to use right out of the box.

Long Lifespan: With a rated lifetime of 30,000 hours, this LED strip minimizes the need for frequent replacements.

High CRI: A Color Rendering Index (CRI) of ≥ 80 ensures accurate and vibrant color representation.

Certifications: Certified with CE and RoHS, ensuring safety and environmental compliance.

Easy Installation: The 2.5cm cut points allow for precise length adjustments, and the included adapter simplifies the wiring process.

Warranty: Backed by a 1-year warranty for peace of mind.

This Admore LED strip light provides reliable and efficient illumination, suitable for both residential and commercial lighting projects.
