

DATASHEET

Overview

Get reliable power with the A-U65 | Admore 6 Gang Universal Socket Extension. This 5-meter extension features 6 universal sockets, handling up to 3250W. Built with 99.9% copper wire and robust ABS PVC. Includes a 13A fuse, power indicator, and a 1-year warranty. Certified safe (CE, RoHS, UAE.S).

Specifications

Brand	Admore
Voltage Rating	250V
Current Rating	13A Max
Power Rating	3250 Watts Max
Shape	Rectangle Bar
Number of Outlets/Sockets	6 Gang
Type of Outlet/Socket	Type U (Universal Sockets)
Body Material	ABS PVC
Wire Length	5 Meters
Wire Material	99.9% Copper
Wire	1.25mm², 3 Core, PVC cable
Color	White
Grounding	Yes
Power Indicator Light	Yes
Plug Type	Type G (3 Pin UK Fused Plug)
Fuse	13A, BS1362 Cartridge Fuse
Warranty	1 Year
Safety Standards	UAE.S IEC 60884-2-5, UAE IEC 60884-1
Certifications	CE, RoHS

Details

The A-U65 | Admore 6 Gang 5 Meters Universal Socket Extension offers a safe and convenient power solution for your home or office. With its 6 universal sockets, it accommodates various plug types, making it incredibly versatile. This extension is engineered for durability and safety, featuring a robust design and high-quality components.

High Power Capacity: Supports a maximum power rating of 3250 Watts, allowing you to connect multiple devices simultaneously without overloading.

Extended Reach: The 5-meter long cable provides ample reach, giving you flexibility in placing your devices.

Premium Copper Wiring: Constructed with 99.9% copper wire (1.25mm², 3 Core PVC cable) for optimal conductivity and safety.

Robust Construction: The ABS PVC body material ensures durability and longevity, while the Type G (3 Pin UK Fused Plug) and 13A BS1362 Cartridge Fuse offer enhanced protection.

Safety Certified: Complies with UAE.S IEC 60884-2-5, UAE IEC 60884-1 safety standards and holds CE and RoHS certifications, guaranteeing safe operation.

Power Indicator: Equipped with a power indicator light to easily show when the extension is in use.

Warranty: Comes with a 1-year warranty for peace of mind.

The A-U65 Admore extension socket is the perfect choice for anyone needing a reliable, safe, and versatile power solution.
