Details

The ADMORE A-SC15 6" Auto Shutter Round Exhaust Fan is designed for effective ventilation in both residential and commercial settings. This glass-mount exhaust fan ensures optimal air quality by efficiently removing stale air and odors.

Durable Construction: The A-SC15 features a robust PVC body and impeller, ensuring long-lasting performance and resistance to environmental factors. The 99.9% copper-winded motor guarantees reliable and durable operation.

Automatic Shutters: Equipped with internal mechanical backdraft shutters, the fan prevents outside air from entering the room when it's not in use, enhancing energy efficiency and maintaining a comfortable indoor environment.

Quiet Operation: With a noise level of just 35dB, the A-SC15 operates quietly, ensuring minimal disturbance to your daily activities.

Easy Installation: Designed specifically for glass window mounting, the fan comes with window fixing screws for easy and secure installation. The cut-hole size required is between 160mm and 178mm.

Energy Efficient: Consuming only 18W of power, this exhaust fan provides excellent airflow (260 m³/h) while minimizing energy consumption. It operates on 220-240V/50Hz single-phase power.

Certified and Safe: The A-SC15 holds CE, RoHS, G.Mark, and ESMA safety certifications, guaranteeing compliance with international safety standards.

Warranty: Enjoy peace of mind with a 2-year exclusive warranty, ensuring your investment is protected.

Ideal for bathrooms, kitchens, and other areas requiring effective ventilation, the Admore A-SC15 6" Auto Shutter Round Exhaust Fan is a reliable and efficient solution for maintaining fresh and clean air.
