Overview

Power up with the A-E35U | Admore 3 Gang 13A Switched Socket Extension! This 5-meter extension lead features 3 UK sockets, plus 3 USB-A and 1 USB-C charging ports. Safe & reliable with overload protection, a 13A fuse, and a flame-retardant PP shell. Ideal for home or office!

Specifications

Brand	Admore
Voltage Rating	250V
Current Rating	13A Max
Power Rating	3250 Watts Max
Shape	Rectangle Bar
Number of Outlets/Sockets	3 Gang
Type of Outlet/Socket	Type G (3 Pin UK)
Body Material	PP Shell (Flame Retrardant Material)
Wire Length	5 Meters
Wire Material	99.9% Copper
Wire	1.25mm ² , 3 Core, PVC cable
Color	White
Terminals	Copper
Grounding	Yes
USB Charging Ports	3 x Type A + 1 x Type C
Overload Protection	Yes
Power Indicator Light	3 Red LED Indicators
Test Standard	BS1363
Plug Type	Type G (3 Pin UK Fused Plug)
Fuse	13A, BS1362 Cartridge Fuse
Warranty	1 Year
Safety Standards	UAE.S IEC 60884-2-5, UAE IEC 60884-1
Certifications	CE, RoHS, ESMA

Details

The A-E35U | Admore 3 Gang 13A Switched Socket Extension offers a convenient and safe solution for expanding your power outlets. This extension lead features three UK Type G sockets, allowing you to power multiple devices simultaneously. In addition to the standard sockets, it also includes three Type-A USB charging ports and one Type-C USB charging port, perfect for charging your smartphones, tablets, and other USB-powered devices.

Multiple Outlets and USB Ports: This extension lead provides three 13A UK sockets and four USB charging ports (3 x Type A, 1 x Type C), offering versatile power options for various devices.

Enhanced Safety Features: Equipped with overload protection and a 13A fuse, this extension lead safeguards your devices from power surges and short circuits. The flame-retardant PP shell provides added safety.

Durable and Reliable Construction: Made with 99.9% copper wiring (1.25mm², 3 Core PVC cable) and copper terminals, this extension lead ensures optimal conductivity and long-lasting performance. It adheres to BS1363 test standards and meets UAE safety standards (UAE.S IEC 60884-2-5, UAE IEC 60884-1).

Convenient Design: The 5-meter cable provides ample reach, while the red LED indicator lights show the power status. The Type G (3 Pin UK Fused Plug) ensures compatibility with UK power outlets.

Warranty and Certifications: Backed by a 1-year warranty and certified with CE, RoHS, and ESMA, this Admore extension lead guarantees quality and safety.

This Admore extension socket features a voltage rating of 250V and a maximum power rating of 3250 Watts. It's an ideal choice for homes, offices, and other environments where multiple devices need to be powered safely and efficiently.
