Specifications

Brand	Roska
Model	R-C6
Type of Fan	Glass Exhaust Fan
Mounting Type	Glass Mount
Voltage	220-240V/50hz
Power Consumption (W)	15 W
Phase	Single
Body Material	PVC
Blade Material	PVC
Blade Diameter	6" (150mm)
Number of Blades	5
Color	White
Airflow (CFM)	153.031194820483 cfm
Airflow (m³/h)	260 m³/h
Noise Level (dB)	dB
Warranty	2 Years Warranty
Safety certifications	CE, RoHS

Details

The R-C6 Roska 6" Glass Mounted Exhaust Fan is a compact and efficient solution for improving air quality in your home or office. Designed for easy installation in glass windows or panels, this exhaust fan effectively removes stale air, moisture, and odors. Its sleek white PVC construction blends seamlessly with any decor. Operates at 220-240V/50Hz with a low 15W power consumption, making it energy-efficient.

Optimal Airflow: Delivers 260 m³/h (153.03 CFM) of airflow, ensuring effective ventilation.

Durable Construction: Made with high-quality PVC body and blades for long-lasting performance.

Easy Installation: Specifically designed for glass mounting, simplifying the setup process.

Energy Efficient: Low 15W power consumption helps reduce energy costs.

Safety Certified: CE and RoHS certified, ensuring compliance with safety standards.

Warranty: Comes with a 2-year warranty for peace of mind.

This Roska glass exhaust fan is ideal for bathrooms, kitchens, or any small space where ventilation is needed. Its quiet operation and efficient performance make it a valuable addition to any building. Please note that this model does not include a shutter, remote control, or timer.
