Details

Upgrade your plumbing with the SV-04 - [Pack of 2] Brass Bib Cock 1/2" from Eurospring. This convenient pack includes two high-quality bib cocks, perfect for various applications around your home or business. Constructed from durable brass and finished with a sleek chrome plating, these bib cocks are built to last and resist corrosion.

Durable Brass Construction: Made from high-quality brass, ensuring longevity and resistance to corrosion. These bib cocks are designed for years of reliable use.

Chrome Finish: The chrome finish not only provides a stylish look but also adds an extra layer of protection against rust and wear.

Red and Blue Valve Indicators: Easily identify hot and cold water lines with the integrated red and blue valve indicators.

Single Handle Operation: The single handle design allows for easy and precise control of water flow and temperature.

High Flow Rate: Delivers a consistent 9L/min flow rate for efficient water usage.

Multiple Connection Sizes: Compatible with 1/2", 3/8", and 9/16" connections for versatile installation options.

Warranty & Certifications: Backed by a 3-year warranty and ISO9001:2008 certification, guaranteeing quality and reliability. Suitable for water pressure up to 1.6 Mpa.

Easy to install and maintain, the Eurospring SV-04 bib cocks offer a combination of durability, functionality, and style.

Perfect for both residential and commercial use.
